GETTING BACK TO LIFE.

At Orchid, we are focused on providing a safe and functional environment for an injured worker to continue the recovery process. Our care coordinators work with you and our in-house rehabilitation and assistive technology experts to arrange modification services based on the injured worker's unique needs.

The overriding goal of Orchid is helping injured workers get back to work and back to life quickly and cost-efficiently as possible.

Moving Forward. Working Together.

In every step of the recovery process, we work collaboratively with claim professionals, case managers and provider partners to deliver an integrated solution that expedites positive outcomes for injured workers and savings for our clients.

EASY REFERRAL OPTIONS
