

YOUR TIME IS VALUABLE.

As a leading provider of durable medical equipment (DME) and supplies, we handle all aspects of coordinating DME services for injured workers so you can focus your time on other priorities.

The overriding goal of Orchid is helping injured workers get back to work and back to life quickly and cost-efficiently as possible.

Moving Forward. Working Together.

In every step of the recovery process, we work collaboratively with claim professionals, case managers and provider partners to deliver an integrated solution that expedites positive outcomes for injured workers and savings for our clients.

EASY REFERRAL OPTIONS
