

SAVE TIME WITH ORCHID.

As a leading provider of ancillary services, we handle all aspects of coordinating transportation and language services for injured workers so you can focus your time on other priorities. To help ensure timely service and satisfaction, we proactively manage the referral process through multiple points of contact with the injured worker and the provider.

The overriding goal of Orchid is helping injured workers get back to work and back to life quickly and cost-efficiently as possible.

Moving Forward. Working Together.

In every step of the recovery process, we work collaboratively with claim professionals, case managers and provider partners to deliver an integrated solution that expedites positive outcomes for injured workers and savings for our clients.

EASY REFERRAL OPTIONS

Calls are answered directly by intake specialists who process the referral and assign it to a dedicated care coordinator.
