

THE RIGHT DIRECTION.

Rehabilitation is often part of an injured worker's recovery. As soon as we receive your referral, a dedicated care coordinator contacts the injured worker and closest network physical medicine facility to arrange quality services in a cost-effective and timely manner.

The overriding goal of Orchid is helping injured workers get back to work and back to life quickly and cost-efficiently as possible.

Moving Forward. Working Together.

In every step of the recovery process, we work collaboratively with claim professionals, case managers and provider partners to deliver an integrated solution that expedites positive outcomes for injured workers and savings for our clients.

EASY REFERRAL OPTIONS

Calls are answered directly by intake specialists who process the referral and assign it to a dedicated care coordinator.
