

Hearing Aids

SOUND COORDINATION. **DELIVERED.**

Hearing loss claims can be difficult. That's why Orchid coordinates the entire care process from evaluating medical necessity to controlling maintenance costs associated with hearing aids.

Every referral is handled by a hearing loss care coordinator who specializes in matching the appropriate technology to each injured worker's specific need and ensuring satisfaction.

Moving Forward. Working Together.

In every step of the recovery process, we work collaboratively with claim professionals, case managers and provider partners to deliver an integrated solution that expedites positive outcomes for injured workers and savings for our clients.

EASY REFERRAL OPTIONS

Calls are answered directly by intake specialists who process the referral and assign it to a dedicated care coordinator.
